PART V. DISCLOSURE STATEMENT AND INSTRUCTIONS TO DEBTOR(S)

Before agreeing to reaffirm a debt, review the terms disclosed in the Reaffirmation Agreement (Part I above) and these additional important disclosures and instructions.

Reaffirming a debt is a serious financial decision. The law requires you to take certain steps to make sure the decision is in your best interest. If these steps, which are detailed in the Instructions provided in Part V, Section B below, are not completed, the Reaffirmation Agreement is not effective, even though you have signed it.

A. DISCLOSURE STATEMENT

1. **What are your obligations if you reaffirm a debt?** A reaffirmed debt remains your personal legal obligation to pay. Your reaffirmed debt is not discharged in your bankruptcy case. That means that if you default on your reaffirmed debt after your bankruptcy case is over, your creditor may be able to take your property or your wages. Your obligations will be determined by the Reaffirmation Agreement, which may have changed the terms of the original agreement. If you are reaffirming an open end credit agreement, that agreement or applicable law may permit the creditor to change the terms of that agreement in the future under certain conditions.
2. **Are you required to enter into a reaffirmation agreement by any law?** No, you are not required to reaffirm a debt by any law. Only agree to reaffirm a debt if it is in your best interest. Be sure you can afford the payments that you agree to make.
3. **What if your creditor has a security interest or lien?** Your bankruptcy discharge does not

eliminate any lien on your property. A “lien” is often referred to as a security interest, deed of trust, mortgage, or security deed. The property subject to a lien is often referred to as collateral. Even if you do not reaffirm and your personal liability on the debt is discharged, your creditor may still have a right under the lien to take the collateral if you do not pay or default on the debt. If the collateral is personal property that is exempt or that the trustee has abandoned, you may be able to redeem the item rather than reaffirm the debt. To redeem, you make a single payment to the creditor equal to the current value of the collateral, as the parties agree or the court determines.

4. **How soon do you need to enter into and file a reaffirmation agreement?** If you decide to enter into a reaffirmation agreement, you must do so before you receive your discharge. After you have entered into a reaffirmation agreement and all parts of this form that require a signature have been signed, either you or the creditor should file it as soon as possible. The signed agreement must be filed with the court no later than 60 days after the first date set for the meeting of creditors, so that the court will have time to schedule a hearing to approve the agreement if approval is required. However, the court may extend the time for filing, even after the 60-day period has ended.
5. **Can you cancel the agreement?** You may rescind (cancel) your Reaffirmation Agreement at any time before the bankruptcy court enters your discharge or during the 60-day period that begins on the date your Reaffirmation Agreement is filed with the court, whichever occurs later. To rescind (cancel) your Reaffirmation Agreement, you must notify the creditor that your Reaffirmation Agreement is rescinded (or canceled). Remember that you can rescind the agreement, even if the court approves it, as long as you rescind within the time allowed.
6. **When will this Reaffirmation Agreement be effective?**
 - a. **If you *were* represented by an attorney during the negotiation of your Reaffirmation Agreement and**
 - i. **if the creditor is not a Credit Union**, your Reaffirmation Agreement becomes effective when it is filed with the court unless the reaffirmation is presumed to be an undue hardship. If the Reaffirmation Agreement is presumed to be an undue hardship, the court must review it and may set a hearing to determine whether you have rebutted the presumption of undue hardship.
 - ii. **if the creditor is a Credit Union**, your Reaffirmation Agreement becomes effective when it is filed with the court.
 - b. **If you *were not* represented by an attorney during the negotiation of your Reaffirmation Agreement**, the Reaffirmation Agreement will not be effective unless the court approves it. To have the court approve your agreement, you must file a motion. See Instruction 5, below. The court will notify you and the creditor of the hearing on your Reaffirmation Agreement. You must attend this hearing, at which time the judge will review your Reaffirmation Agreement. If the judge decides that the Reaffirmation Agreement is in your best interest, the agreement will be approved and will become effective. Howev-

er, if your Reaffirmation Agreement is for a consumer debt secured by a mortgage, deed of trust, security deed or other lien on your real property, like your home, you do not need to file a motion or get court approval of your Reaffirmation Agreement.

7. **What if you have questions about what a creditor can do?** If you have questions about reaffirming a debt or what the law requires, consult with the attorney who helped you negotiate this agreement. If you do not have an attorney helping you, you may ask the judge to explain the effect of this agreement to you at the hearing to approve the Reaffirmation Agreement. When this disclosure refers to what a creditor “may” do, it is not giving any creditor permission to do anything. The word “may” is used to tell you what might occur if the law permits the creditor to take the action.

B. INSTRUCTIONS

1. Review these Disclosures and carefully consider your decision to reaffirm. If you want to reaffirm, review and complete the information contained in the Reaffirmation Agreement (Part I above). If your case is a joint case, both spouses must sign the agreement if both are reaffirming the debt.
2. Complete the Debtors' Statement in Support of Reaffirmation Agreement (Part II above). Be sure that you can afford to make the payments that you are agreeing to make and that you have received a copy of the Disclosure Statement and a completed and signed Reaffirmation Agreement.
3. If you were represented by an attorney during the negotiation of your Reaffirmation Agreement, your attorney must sign and date the Certification By Debtors' Attorney (Part IV above).
4. You or your creditor must file with the court the original of this Reaffirmation Documents packet and a completed Reaffirmation Agreement Cover Sheet (Official Bankruptcy Form 27).
5. *If you are not represented by an attorney, you must also complete and file with the court a separate document entitled “Motion for Court Approval of Reaffirmation Agreement” unless your Reaffirmation Agreement is for a consumer debt secured by a lien on your real property, such as your home. You can use Form B240B to do this.*

C. DEFINITIONS

1. **“Amount Reaffirmed”** means the total amount of debt that you are agreeing to pay (reaffirm) by entering into this agreement. The total amount of debt includes any unpaid fees and costs that you are agreeing to pay that arose on or before the date of disclosure, which is the date specified in the Reaffirmation Agreement (Part I, Section B above). Your credit agreement may obligate you to pay additional amounts that arise after the date of this disclosure. You should consult your credit agreement to determine whether you are obligated to pay additional amounts that may arise after the date of this disclosure.

2. **“Annual Percentage Rate”** means the interest rate on a loan expressed under the rules required by federal law. The annual percentage rate (as opposed to the “stated interest rate”) tells you the full cost of your credit including many of the creditor’s fees and charges. You will find the annual percentage rate for your original agreement on the disclosure statement that was given to you when the loan papers were signed or on the monthly statements sent to you for an open end credit account such as a credit card.
3. **“Credit Union”** means a financial institution as defined in 12 U.S.C. § 461(b)(1)(A)(iv). It is owned and controlled by and provides financial services to its members and typically uses words like “Credit Union” or initials like “C.U.” or “F.C.U.” in its name.

Lender: **Renaissance Bank**
New Albany Office
300 E Bankhead St
PO Box 724
New Albany, MS 38652
(877) 367-5371

Principal Amount: \$30,787.25

Date of Note: July 21, 2016

PROMISE TO PAY. I ("Borrower") jointly and severally promise to pay to Renaissance Bank ("Lender"), or order, in lawful money of the United States of America, the principal amount of Thirty Thousand Seven Hundred Eighty-seven & 25/100 Dollars (\$30,787.25), together with interest on the unpaid principal balance from July 21, 2015, until paid in full.

PAYMENT. Subject to any payment changes resulting from changes in the Index, I will pay this loan in accordance with the following payment schedule, which calculates interest on the unpaid principal balances as described in the "INTEREST CALCULATION METHOD" paragraph using the interest rates described in this paragraph: 60 monthly consecutive principal and interest payments in the initial amount of \$222.32 each, beginning September 3, 2015, with interest calculated on the unpaid principal balances using an initial discounted interest rate of 3.625% per annum; 119 monthly consecutive principal and interest payments in the initial amount of \$228.95 each, beginning September 3, 2020, with interest calculated on the unpaid principal balances using an interest rate based on the 1 Year LIBOR as Published in The Wall Street Journal (currently 0.760%), plus a margin of 3.500 percentage points, the sum rounded to the nearest 0.125, resulting in an initial interest rate of 4.250% per annum; and one principal and interest payment of \$228.88 on August 5, 2030, with interest calculated on the unpaid principal balances using an interest rate based on the 1 Year LIBOR as Published in The Wall Street Journal (currently 0.760%), plus a margin of 3.500 percentage points, the sum rounded to the nearest 0.125, resulting in an initial interest rate of 4.250% per annum. This estimated final payment is based on the assumption that all payments will be made exactly as scheduled and that the Index does not change; the actual final payment will be for all principal and accrued interest not yet paid, together with any other unpaid amounts under this Note. Unless otherwise agreed or required by applicable law, payments will be applied first to any accrued unpaid interest; then to principal; and then to any late charges. I will pay Lender at Lender's address shown above or at such other place as Lender may designate in writing.

APPLICATION OF PAYMENT. Each monthly payment, when received in full, shall be applied as of its scheduled due date. Partial payments are held in suspense until the full payment amount is received, then applied as of its scheduled due date. Amounts received in excess of the scheduled payment amount are applied either, to principal, to accrued unpaid interest, or to other charges which are neither interest or principal under the Note (such as accrued late charges) in such order or priority and as such times as determined by Lender in its sole discretion. Lender reserves the right to change the foregoing application method and apply payments received in payment of the Note in any manner lender may choose, in Lender's sole discretion, unless a specific order or method is required by law.

VARIABLE INTEREST RATE. For the first 60 payments, the interest rate on this loan will be 3.625%. Thereafter, the interest rate on this Note is subject to change from time to time based on changes in an independent index which is the 1 Year LIBOR as Published in The Wall Street Journal (the "Index"). The Index is not necessarily the lowest rate charged by Lender on its loans. If the Index becomes unavailable during the term of this loan, Lender may designate a substitute index after notifying me. Lender will tell me the current Index rate upon my request. The interest rate change will not occur more often than each year on the payment date following the anniversary date of this Note (provided the Index changed on or before such date). I understand that Lender may make loans based on other rates as well. The Index currently is 0.760% per annum. The interest rate or rates to be applied to the unpaid principal balance during this Note will be the rate or rates set forth herein in the "Payment" section. Notwithstanding any other provision of this Note, after the first payment stream, the interest rate for each subsequent payment stream will be effective as of the due date of the last payment in the just-ongoing payment stream and will be determined using the most recent Index figure available as of 45 days before the date of the scheduled interest rate change. **NOTICE:** Under no circumstances will the interest rate on this Note be less than 3.625% per annum or more than the lesser of 8.625% per annum or the maximum rate allowed by applicable law. Notwithstanding the above provisions, the maximum increase or decrease in the interest rate at any one time on this loan will not exceed 2,000 percentage points. Unless waived by Lender, any increase in the interest rate will increase the amounts of my payments.

INTEREST CALCULATION METHOD. Interest on this Note is computed on a 365/365 simple interest basis; that is, by applying the ratio of the interest rate over the number of days in a year (365 during leap years), multiplied by the outstanding principal balance, multiplied by the actual number of days the principal balance is outstanding. All interest payable under this Note is computed using this method.

PREPAYMENT; MINIMUM INTEREST CHARGE. I agree that all loan fees and other prepaid finance charges are earned fully as of the date of the loan and will not be refunded to me upon early payment (whether voluntary or as a result of default), except as otherwise required by law. In any event, even upon full prepayment of this Note, I understand that Lender is entitled to a minimum interest charge of \$15.00. However, in no event shall this charge exceed two percent of the amount prepaid during the first two years nor one percent of the amount prepaid in the third year of the loan; and no such charge will be imposed if I prepay this loan more than three years after the loan has closed. Other than my obligation to pay any minimum interest charge, I may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve me of my obligation to continue to make payments under the payment schedule. Rather, early payments will reduce the principal balance due and may result in my making fewer payments. I agree not to send Lender payments marked "paid in full", "without recourse", or similar language. If I send such a payment, Lender may accept it without losing any of Lender's rights under this Note, and I will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Renaissance Bank, P.O. Box 4140 Tupelo, MS 38803.

LATE CHARGE. If a payment is 15 days or more late, I will be charged 4.000% of the unpaid portion of the regularly scheduled payment or \$5.00, whichever is greater.

INTEREST AFTER DEFAULT. Upon maturity, whether scheduled or accelerated by Lender because of my default, the total sum due under this Note will continue to accrue interest at the interest rate under this Note, with the final interest rate described in this Note applying after maturity, or after maturity would have occurred had there been no default. However, in no event will the interest rate exceed the maximum interest rate limitations under applicable law.

DEFAULT. I will be in default under this Note if any of the following happen:

Payment Default. I fail to make any payment when due under this Note.

Break Other Promises. I break any promise made to Lender or fail to perform promptly at the time and strictly in the manner provided in this Note or in any agreement related to this Note, or in any other agreement or loan I have with Lender.

False Statements. Any representation or statement made or furnished to Lender by me or on my behalf under this Note or the related documents is false or misleading in any material respect, either now or at the time made or furnished.

Death or Insolvency. Any Borrower dies or becomes insolvent; a receiver is appointed for any part of my property; I make an assignment for the benefit of creditors; or any proceeding is commenced either by me or against me under any bankruptcy or insolvency laws.

Taking of the Property. Any creditor or governmental agency tries to take any of the property or any other of my property in which Lender has a lien. This includes taking of, garnishing of or levying on my accounts with Lender. However, if I dispute in good faith whether the claim on which the taking of the property is based is valid or reasonable, and if I give Lender written notice of the claim and furnish Lender with monies or a surety bond satisfactory to Lender to satisfy the claim, then this default provision will not apply.

Defective Collateralization. This Note or any of the related documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest in it) at any time and for any reason.

Collateral Damage or Loss. Any collateral securing this Note is lost, stolen, substantially damaged or destroyed and the loss, theft, substantial damage or destruction is not covered by insurance.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any guaranty of the indebtedness evidenced by this Note.

LENDER'S RIGHTS. Upon default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, and then I will pay that amount.

ATTORNEYS' FEES; EXPENSES. Lender may hire or pay someone else to help collect this Note if I do not pay. I will pay Lender that amount. This includes, subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees, expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), and appeals. If not prohibited by applicable law, I also will pay any court costs, in addition to all other sums provided by law.

JURY WAIVER. Lender and I hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by either Lender or me against the other.

This includes all accounts I hold jointly with someone else and all accounts I may open in the future. However, this does not include any IRA or Keogh accounts, or any trust accounts for which setoff would be prohibited by law. I authorize Lender, to the extent permitted by applicable law, to charge or setoff all sums owing on the indebtedness against any and all such accounts.

COLLATERAL. I acknowledge this Note is secured by the following collateral described in the security instrument listed herein: a Deed of Trust dated July 21, 2015, to a trustee in favor of Lender on real property located in UNION County, State of Mississippi.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon me, and upon my heirs, personal representatives, successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of the Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. I and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor or collateral, or impair, fail to realize upon or perfect Lender's security interest in the collateral. All such parties also agree that Lender may modify this loan without the consent of or notice to anyone other than the party with whom the modification is made. The obligations under this Note are joint and several. This means that the words "I", "me", and "my" mean each and all of the persons signing below.

PRIOR TO SIGNING THIS NOTE, I, AND EACH OF US, READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE VARIABLE INTEREST RATE PROVISIONS. I, AND EACH OF US, AGREE TO THE TERMS OF THE NOTE.

I ACKNOWLEDGE RECEIPT OF A COMPLETED COPY OF THIS PROMISSORY NOTE.

DEED OF TRUST

THIS DEED OF TRUST is dated July 21, 2016, among Eddie Barnes, Individually and Eddie Barnes as the Guardian of the Estate of Estor Barnes as authorized by the Kane County, Illinois Circuit Court In Cause Number 16P127 ("Grantor"); Renasant Bank (referred to below sometimes as "Lender" and sometimes as "Beneficiary"); and Scott R Hendrix (referred to below as "Trustee").

CONVEYANCE AND GRANT. For valuable consideration, Grantor conveys to Trustee for the benefit of Lender as Beneficiary, with power of sale, all of Grantor's right, title, and interest in and to the following described real property, together with all existing or subsequently erected or affixed buildings, improvements and fixtures; all easements, rights of way, and appurtenances; all water, water rights and ditch rights (including stock in utilities with ditch or irrigation rights); and all other rights, royalties, and profits relating to the real property, including without limitation all minerals, oil, gas, geothermal and similar matters, (the "Real Property") located in UNION County, State of Mississippi:

See EXHIBIT "A", which is attached to this Deed of Trust and made a part of this Deed of Trust as if fully set forth herein.

The Real Property or its address is commonly known as 1620 HWY 178 W, MYRTLE, MS 38660.

CROSS-COLLATERALIZATION. In addition to the Note, this Deed of Trust secures all obligations, debts and liabilities, plus interest thereon, of either Grantor or Borrower to Lender, or any one or more of them, as well as all claims by Lender against Borrower and Grantor or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Borrower or Grantor may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable. If the Lender is required to give notice of the right to cancel under Truth in Lending in connection with any additional loans, extensions of credit and other liabilities or

obligations of Grantor to Lender, then this Deed of Trust shall not secure additional loans or obligations unless and until such notice is given.

Grantor presently assigns to Lender (also known as Beneficiary in this Deed of Trust) all of Grantor's right, title, and interest in and to all present and future leases of the Property and all Rents from the Property. In addition, Grantor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

THIS DEED OF TRUST, INCLUDING THE ASSIGNMENT OF RENTS AND THE SECURITY INTEREST IN THE RENTS AND PERSONAL PROPERTY, IS GIVEN TO SECURE (A) PAYMENT OF THE INDEBTEDNESS AND (B) PERFORMANCE OF ANY AND ALL OBLIGATIONS UNDER THE NOTE, THE RELATED DOCUMENTS, AND THIS DEED OF TRUST. THIS DEED OF TRUST IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

GRANTOR'S REPRESENTATIONS AND WARRANTIES. Grantor warrants that: (a) this Deed of Trust is executed at Borrower's request and not at the request of Lender; (b) Grantor has the full power, right, and authority to enter into this Deed of Trust and to hypothecate the Property; (c) the provisions of this Deed of Trust do not conflict with, or result in a default under any agreement or other instrument binding upon Grantor and do not result in a violation of any law, regulation, court decree or order applicable to Grantor; (d) Grantor has established adequate means of obtaining from Borrower on a continuing basis information about Borrower's financial condition; and (e) Lender has made no representation to Grantor about Borrower (including without limitation the creditworthiness of Borrower).

GRANTOR'S WAIVERS. Grantor waives all rights or defenses arising by reason of any "one action" or "anti-deficiency" law, or any other law which may prevent Lender from bringing any action against Grantor, including a claim for deficiency to the extent Lender is otherwise entitled to a claim for deficiency, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale.

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Deed of Trust, Borrower and Grantor shall pay to Lender all Indebtedness secured by this Deed of Trust as it becomes due, and Borrower and Grantor shall strictly perform all their respective obligations under the Note, this Deed of Trust, and the Related Documents.

POSSESSION AND MAINTENANCE OF THE PROPERTY. Borrower and Grantor agree that Borrower's and Grantor's possession and use of the Property shall be governed by the following provisions:

Possession and Use. Until the occurrence of an Event of Default, Grantor may (1) remain in possession and control of the Property; (2) use, operate or manage the Property; and (3) collect the Rents from the Property.

Duty to Maintain. Grantor shall maintain the Property in good condition and promptly perform all repairs, replacements, and maintenance necessary to preserve its value.

Compliance With Environmental Laws. Grantor represents and warrants to Lender that: (1) During the period of Grantor's ownership of the Property, there has been no use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance by any person on, under, about or from the Property; (2) Grantor has no knowledge of, or reason to believe that there has been, except as previously disclosed to and acknowledged by Lender in writing, (a) any breach or violation of any Environmental Laws, (b) any use, generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance on, under, about or from the Property by any prior owners or occupants of the Property, or (c) any actual or threatened litigation or claims of any kind by any person relating to such matters; and (3) Except as previously disclosed to and acknowledged by Lender in writing, (a) neither Grantor nor any tenant, contractor, agent or other authorized user of the Property shall use, generate, manufacture, store, treat, dispose of or release any Hazardous Substance on, under, about or from the Property; and (b) any such activity shall be conducted in compliance with all applicable federal, state, and local laws, regulations and ordinances, including without limitation all Environmental Laws. Grantor authorizes Lender and its agents to enter upon the Property to make such inspections and tests, at Grantor's expense, as Lender may deem appropriate to determine compliance of the Property with this section of the Deed of Trust. Any inspections or tests made by Lender shall be for Lender's purposes only and shall not be construed to create any responsibility or liability on the part of Lender to Grantor or to any other person. The representations and warranties contained herein are based on Grantor's due diligence in investigating the Property for Hazardous Substances. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any such laws; and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims, losses, liabilities, damages, penalties, and expenses which Lender may directly or indirectly sustain or suffer resulting from a breach of this section of the Deed of Trust or as a consequence of any use, generation, manufacture, storage, disposal, release or threatened release occurring prior to Grantor's ownership or interest in the Property, whether or not the same was or should have been

DEED OF TRUST

known to Grantor. The provisions of this section of the Deed of Trust, including the obligation to indemnify and defend, shall survive the payment of the indebtedness and the satisfaction and reconveyance of the lien of this Deed of Trust and shall not be affected by Lender's acquisition of any interest in the Property, whether by foreclosure or otherwise.

Nuisances, Waste. Grantor shall not cause, conduct or permit any nuisance nor commit, permit, or suffer any stripping of or waste on or to the Property or any portion of the Property. Without limiting the generality of the foregoing, Grantor will not remove, or grant to any other party the right to remove, any timber, minerals (including oil and gas), coal, clay, scoria, soil, gravel or rock products without Lender's prior written consent.

Removal of Improvements. Grantor shall not demolish or remove any improvements from the Real Property without Lender's prior written consent. As a condition to the removal of any improvements, Lender may require Grantor to make arrangements satisfactory to Lender to replace such improvements with improvements of at least equal value.

Lender's Right to Enter. Lender and Lender's agents and representatives may enter upon the Real Property at all reasonable times to attend to Lender's interests and to inspect the Real Property for purposes of Grantor's compliance with the terms and conditions of this Deed of Trust.

Compliance with Governmental Requirements. Grantor shall promptly comply with all laws, ordinances, and regulations, now or hereafter in effect, of all governmental authorities applicable to the use or occupancy of the Property. Grantor may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Grantor has notified Lender in writing prior to doing so and so long as, in Lender's sole opinion, Lender's interests in the Property are not jeopardized. Lender may require Grantor to post adequate security or a surety bond, reasonably satisfactory to Lender, to protect Lender's interest.

Duty to Protect. Grantor agrees neither to abandon or leave unattended the Property. Grantor shall do all other acts, in addition to those acts set forth above in this section, which from the character and use of the Property are reasonably necessary to protect and preserve the Property.

DUE ON SALE - CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Mississippi law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Deed of Trust:

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, special taxes, assessments, charges (including water and sewer), fines and impositions levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Deed of Trust, except for the lien of taxes and assessments not due and except as otherwise provided in this Deed of Trust.

Right to Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Lender, deposit with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

Evidence of Payment. Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

Notice of Construction. Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if any mechanic's lien, materialmen's lien, or other lien could be asserted on account of the work, services, or materials. Grantor will upon request of Lender furnish to Lender advance assurances

DEED OF TRUST

satisfactory to Lender that Grantor can and will pay the cost of such improvements.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a fair value basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender, together with such other hazard and liability insurance as Lender may reasonably require. Policies shall be written in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Grantor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days prior written notice to Lender. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain Federal Flood Insurance, if available, for the full unpaid principal balance of the loan and any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

Application of Proceeds. Grantor shall promptly notify Lender of any loss or damage to the Property. Lender may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Whether or not Lender's security is impaired, Lender may, at Lender's option, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Property, or the restoration and repair of the Property. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Deed of Trust. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Property shall be used first to pay any amount owing to Lender under this Deed of Trust, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

LENDER'S EXPENDITURES. If Grantor fails (A) to keep the Property free of all taxes, liens, security interests, encumbrances, and other claims, (B) to provide any required insurance on the Property, or (C) to make repairs to the Property then Lender may do so. If any action or proceeding is commenced that would materially affect Lender's interests in the Property, then Lender on Grantor's behalf may, but is not required to, take any action that Lender believes to be appropriate to protect Lender's interests. All expenses incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Deed of Trust also will secure payment of these amounts. The rights provided for in this paragraph shall be in addition to any other rights or any remedies to which Lender may be entitled on account of any default. Any such action by Lender shall not be construed as curing the default so as to bar Lender from any remedy that it otherwise would have had.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust:

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Deed of Trust, and (b) Grantor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Trustee or Lender under this Deed of Trust, Grantor shall defend the action at Grantor's expense. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of Lender's own choice, and Grantor will deliver, or cause to be delivered, to Lender such instruments as Lender may request from time to

DEED OF TRUST
(Continued)

Page 5

time to permit such participation.

Compliance With Laws. Grantor warrants that the Property and Grantor's use of the Property complies with all existing applicable laws, ordinances, and regulations of governmental authorities.

Survival of Promises. All promises, agreements, and statements Grantor has made in this Deed of Trust shall survive the execution and delivery of this Deed of Trust, shall be continuing in nature and shall remain in full force and effect until such time as Borrower's indebtedness is paid in full.

CONDEMNATION. The following provisions relating to condemnation proceedings are a part of this Deed of Trust:

Proceedings. If any proceeding in condemnation is filed, Grantor shall promptly notify Lender in writing, and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. Grantor may be the nominal party in such proceeding, but Lender shall be entitled to participate in the proceeding and to be represented in the proceeding by counsel of its own choice, and Grantor will deliver or cause to be delivered to Lender such instruments and documentation as may be requested by Lender from time to time to permit such participation.

Application of Net Proceeds. If all or any part of the Property is condemned by eminent domain proceedings or by any proceeding or purchase in lieu of condemnation, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the indebtedness or the repair or restoration of the Property. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees incurred by Trustee or Lender in connection with the condemnation.

IMPOSITION OF TAXES, FEES AND CHARGES BY GOVERNMENTAL AUTHORITIES. The following provisions relating to governmental taxes, fees and charges are a part of this Deed of Trust:

Current Taxes, Fees and Charges. Upon request by Lender, Grantor shall execute such documents in addition to this Deed of Trust and take whatever other action is requested by Lender to perfect and continue Lender's lien on the Real Property. Grantor shall reimburse Lender for all taxes, as described below, together with all expenses incurred in recording, perfecting or continuing this Deed of Trust, including without limitation all taxes, fees, documentary stamps, and other charges for recording or registering this Deed of Trust.

Taxes. The following shall constitute taxes to which this section applies: (1) a specific tax upon this type of Deed of Trust or upon all or any part of the indebtedness secured by this Deed of Trust; (2) a specific tax on Borrower which Borrower is authorized or required to deduct from payments on the indebtedness secured by this type of Deed of Trust; (3) a tax on this type of Deed of Trust chargeable against the Lender or the holder of the Note; and (4) a specific tax on all or any portion of the indebtedness or on payments of principal and interest made by Borrower.

Subsequent Taxes. If any tax to which this section applies is enacted subsequent to the date of this Deed of Trust, this event shall have the same effect as an Event of Default, and Lender may exercise any or all of its available remedies for an Event of Default as provided below unless Grantor either (1) pays the tax before it becomes delinquent, or (2) contests the tax as provided above in the Taxes and Liens section and deposits with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender.

SECURITY AGREEMENT; FINANCING STATEMENTS. The following provisions relating to this Deed of Trust as a security agreement are a part of this Deed of Trust:

Security Agreement. This instrument shall constitute a Security Agreement to the extent any of the Property constitutes fixtures, and Lender shall have all of the rights of a secured party under the Uniform Commercial Code as amended from time to time.

Security Interest. Upon request by Lender, Grantor shall take whatever action is requested by Lender to perfect and continue Lender's security interest in the Personal Property. In addition to recording this Deed of Trust in the real property records, Lender may, at any time and without further authorization from Grantor, file executed counterparts, copies or reproductions of this Deed of Trust as a financing statement. Grantor shall reimburse Lender for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall not remove, sever or detach the Personal Property from the Property. Upon default, Grantor shall assemble any Personal Property not affixed to the Property in a manner and at a place reasonably convenient to Grantor and Lender and make it available to Lender within three (3) days after receipt of written demand from Lender to the extent permitted by applicable law.

Addresses. The mailing addresses of Grantor (debtor) and Lender (secured party) from which information concerning the security interest granted by this Deed of Trust may be obtained (each as required by the Uniform Commercial Code) are as stated on the first page of this Deed of Trust.

FURTHER ASSURANCES; ATTORNEY-IN-FACT. The following provisions relating to further assurances and attorney-in-fact are a part of this Deed of Trust:

DEED OF TRUST
(Continued)

Page 6

Further Assurances. At any time, and from time to time, upon request of Lender, Grantor will make, execute and deliver, or will cause to be made, executed or delivered, to Lender or to Lender's designee, and when requested by Lender, cause to be filed, recorded, refiled, or rerecorded, as the case may be, at such times and in such offices and places as Lender may deem appropriate, any and all such mortgages, deeds of trust, security deeds, security agreements, financing statements, continuation statements, instruments of further assurance, certificates, and other documents as may, in the sole opinion of Lender, be necessary or desirable in order to effectuate, complete, perfect, continue, or preserve (1) Borrower's and Grantor's obligations under the Note, this Deed of Trust, and the Related Documents, and (2) the liens and security interests created by this Deed of Trust as first and prior liens on the Property, whether now owned or hereafter acquired by Grantor. Unless prohibited by law or Lender agrees to the contrary in writing, Grantor shall reimburse Lender for all costs and expenses incurred in connection with the matters referred to in this paragraph.

Attorney-In-Fact. If Grantor fails to do any of the things referred to in the preceding paragraph, Lender may do so for and in the name of Grantor and at Grantor's expense. For such purposes, Grantor hereby irrevocably appoints Lender as Grantor's attorney-in-fact for the purpose of making, executing, delivering, filing, recording, and doing all other things as may be necessary or desirable, in Lender's sole opinion, to accomplish the matters referred to in the preceding paragraph.

FULL PERFORMANCE. If Borrower and Grantor pay all the Indebtedness when due, and Grantor otherwise performs all the obligations imposed upon Grantor under this Deed of Trust, Lender shall execute and deliver to Trustee a request for full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property. Any reconveyance fee required by law shall be paid by Grantor, if permitted by applicable law.

EVENTS OF DEFAULT. At Lender's option, Grantor will be in default under this Deed of Trust if any of the following happen:

Payment Default. Borrower fails to make any payment when due under the Indebtedness.

Break Other Promises. Borrower or Grantor breaks any promise made to Lender or fails to perform promptly at the time and strictly in the manner provided in this Deed of Trust or in any agreement related to this Deed of Trust.

Compliance Default. Failure to comply with any other term, obligation, covenant or condition contained in this Deed of Trust, the Note or in any of the Related Documents.

Default on Other Payments. Failure of Grantor within the time required by this Deed of Trust to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

False Statements. Any representation or statement made or furnished to Lender by Borrower or Grantor or on Borrower's or Grantor's behalf under this Deed of Trust or the Related Documents is false or misleading in any material respect, either now or at the time made or furnished.

Defective Collateralization. This Deed of Trust or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

Death or Insolvency. The death of Borrower or Grantor, the insolvency of Borrower or Grantor, the appointment of a receiver for any part of Borrower's or Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Borrower or Grantor.

Taking of the Property. Any creditor or governmental agency tries to take any of the Property or any other of Borrower's or Grantor's property in which Lender has a lien. This includes taking of, garnishing of or levying on Borrower's or Grantor's accounts with Lender. However, if Borrower or Grantor disputes in good faith whether the claim on which the taking of the Property is based is valid or reasonable, and if Borrower or Grantor gives Lender written notice of the claim and furnishes Lender with monies or a surety bond satisfactory to Lender to satisfy the claim, then this default provision will not apply.

Breach of Other Agreement. Any breach by Borrower or Grantor under the terms of any other agreement between Borrower or Grantor and Lender that is not remedied within any grace period provided therein, including without limitation any agreement concerning any indebtedness or other obligation of Borrower or Grantor to Lender, whether existing now or later.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any guarantor, endorser, surety, or accommodation party of any of the Indebtedness or any guarantor, endorser, surety, or accommodation party dies or becomes incompetent, or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

RIGHTS AND REMEDIES ON DEFAULT. If an Event of Default occurs under this Deed of Trust, at any

DEED OF TRUST

time thereafter, Trustee or Lender may exercise any one or more of the following rights and remedies:

Election of Remedies. All of Lender's rights and remedies will be cumulative and may be exercised alone or together. An election by Lender to choose any one remedy will not bar Lender from using any other remedy. If Lender decides to spend money or to perform any of Grantor's obligations under this Deed of Trust, after Grantor's failure to do so, that decision by Lender will not affect Lender's right to declare Grantor in default and to exercise Lender's remedies.

Accelerate Indebtedness. Lender shall have the right at its option without notice to Borrower or Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty which Borrower would be required to pay.

Sale of Property. Grantor waives the provisions of Section 89-1-55, Mississippi Code of 1972, as amended, and any successor provisions, as far as said Section restricts the right of Trustee to offer at sale more than one hundred and sixty acres at a time, and Trustee may offer the Property as a whole or in part and in such order as the Trustee may deem best, regardless of the manner in which it may be described.

Foreclosure. With respect to all or any part of the Real Property, the Trustee shall, at the request of Lender, sell the Real Property after giving notice of the time, place and terms of sale as required by Section 89-1-55 of the Mississippi Code of 1972, as amended, and any successor provisions, and execute a deed to the purchaser of the Real Property. Out of the proceeds arising from the sale, the costs and expenses of executing this Deed of Trust, including a reasonable Trustee's fee and the attorneys' fees prescribed in the Note or in this Deed of Trust, shall first be paid; next the amount of the Indebtedness then remaining unpaid shall be paid; and, lastly, any balance remaining shall be paid to Grantor or to Grantor's representatives agents or assigns.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Collect Rents. Lender shall have the right, without notice to Borrower or Grantor to take possession of and manage the Property and collect the Rents, including amounts past due and unpaid, and apply the net proceeds, over and above Lender's costs, against the Indebtedness. In furtherance of this right, Lender may require any tenant or other user of the Property to make payments of rent or use fees directly to Lender. If the Rents are collected by Lender, then Grantor irrevocably designates Lender as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by tenants or other users to Lender in response to Lender's demand shall satisfy the obligations for which the payments are made, whether or not any proper grounds for the demand existed. Lender may exercise its rights under this subparagraph either in person, by agent, or through a receiver.

Appoint Receiver. Lender shall have the right to have a receiver appointed to take possession of all or any part of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, and to collect the Rents from the Property and apply the proceeds, over and above the cost of the receivership, against the Indebtedness. The receiver may serve without bond if permitted by law. Lender's right to the appointment of a receiver shall exist whether or not the apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Lender shall not disqualify a person from serving as a receiver.

Tenant at Sufferance. If Grantor remains in possession of the Property after the Property is sold as provided above or Lender otherwise becomes entitled to possession of the Property upon default of Borrower or Grantor, Grantor shall become a tenant at sufferance of Lender or the purchaser of the Property and shall, at Lender's option, either (1) pay a reasonable rental for the use of the Property, or (2) vacate the Property immediately upon the demand of Lender.

Other Remedies. Trustee or Lender shall have any other right or remedy provided in this Deed of Trust or the Note or available at law or in equity.

Notice of Sale. Lender shall give Grantor reasonable notice of the time and place of any public sale of the Personal Property or of the time after which any private sale or other intended disposition of the Personal Property is to be made. Reasonable notice shall mean notice given at least ten (10) days before the time of the sale or disposition. Any sale of the Personal Property may be made in conjunction with any sale of the Real Property.

Sale of the Property. To the extent permitted by applicable law, Borrower and Grantor hereby waives any and all rights to have the Property marshalled. In exercising its rights and remedies, the Trustee or Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is

involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Grantor also will pay any court costs, in addition to all other sums provided by law.

Rights of Trustee. Trustee shall have all of the rights and duties of Lender as set forth in this section.

POWERS AND OBLIGATIONS OF TRUSTEE. The following provisions relating to the powers and obligations of Trustee are part of this Deed of Trust:

Powers of Trustee. In addition to all powers of Trustee arising as a matter of law, Trustee shall have the power to take the following actions with respect to the Property upon the written request of Lender and Grantor: (a) join in preparing and filing a map or plat of the Real Property, including the dedication of streets or other rights to the public; (b) join in granting any easement or creating any restriction on the Real Property; and (c) join in any subordination or other agreement affecting this Deed of Trust or the interest of Lender under this Deed of Trust.

Obligations to Notify. Trustee shall not be obligated to notify any other party of a pending sale under any other trust deed or lien, or of any action or proceeding in which Grantor, Lender, or Trustee shall be a party, unless the action or proceeding is brought by Trustee.

Trustee. Trustee shall meet all qualifications required for Trustee under applicable law. In addition to the rights and remedies set forth above, with respect to all or any part of the Property, the Trustee shall have the right to foreclose by notice and sale, and Lender will have the right to foreclose by judicial foreclosure, in either case in accordance with and to the full extent provided by applicable law.

Successor Trustee. Lender, at Lender's option, may from time to time appoint a successor Trustee to any Trustee appointed under this Deed of Trust by an instrument executed and acknowledged by Lender and recorded in the office of the recorder of UNION County, State of Mississippi. The instrument shall contain, in addition to all other matters required by state law, the names of the original Lender, Trustee, and Grantor, the book and page where this Deed of Trust is recorded, and the name and address of the successor trustee, and the instrument shall be executed and acknowledged by Lender or its successors in interest. The successor trustee, without conveyance of the Property, shall succeed to all the title, power, and dutios conferred upon the Trustee in this Deed of Trust and by applicable law. This procedure for substitution of Trustee shall govern to the exclusion of all other provisions for substitution.

NOTICES. Any notice required to be given under this Deed of Trust, including without limitation any notice of default and any notice of sale shall be given in writing, and shall be effective when actually delivered, when actually received by telefacsimile (unless otherwise required by law), when deposited with a nationally recognized overnight courier, or, if mailed, when deposited in the United States mail, as first class, certified or registered mail postage prepaid, directed to the addressee shown near the beginning of this Deed of Trust. All copies of notices of foreclosure from the holder of any lien which has priority over this Deed of Trust shall be sent to Lender's address, as shown near the beginning of this Deed of Trust. Any person may change his or her address for notices under this Deed of Trust by giving formal written notice to the other person or persons, specifying that the purpose of the notice is to change the person's address. For notice purposes, Grantor agrees to keep Lender informed at all times of Grantor's current address. Unless otherwise provided or required by law, if there is more than one Grantor, any notice given by Lender to any Grantor is deemed to be notice given to all Grantors. It will be Grantor's responsibility to tell the others of the notice from Lender.

MISCELLANEOUS PROVISIONS. The following miscellaneous provisions are a part of this Deed of Trust:

Amendments. What is written in this Deed of Trust and in the Related Documents is Grantor's entire agreement with Lender concerning the matters covered by this Deed of Trust. To be effective, any change or amendment to this Deed of Trust must be in writing and must be signed by whoever will be bound or obligated by the change or amendment.

Caption Headings. Caption headings in this Deed of Trust are for convenience purposes only and are not to be used to interpret or define the provisions of this Deed of Trust.

Merger. There shall be no merger of the interest or estate created by this Deed of Trust with any other interest or estate in the Property at any time held by or for the benefit of Lender in any

DEED OF TRUST

capacity, without the written consent of Lender.

Governing Law. This Deed of Trust will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Mississippi without regard to its conflicts of law provisions. This Deed of Trust has been accepted by Lender in the State of Mississippi.

Joint and Several Liability. All obligations of Borrower and Grantor under this Deed of Trust shall be joint and several, and all references to Grantor shall mean each and every Grantor, and all references to Borrower shall mean each and every Borrower. This means that each Grantor signing below is responsible for all obligations in this Deed of Trust.

No Waiver by Lender. Grantor understands Lender will not give up any of Lender's rights under this Deed of Trust unless Lender does so in writing. The fact that Lender delays or omits to exercise any right will not mean that Lender has given up that right. If Lender does agree in writing to give up one of Lender's rights, that does not mean Grantor will not have to comply with the other provisions of this Deed of Trust. Grantor also understands that if Lender does consent to a request, that does not mean that Grantor will not have to get Lender's consent again if the situation happens again. Grantor further understands that just because Lender consents to one or more of Grantor's requests, that does not mean Lender will be required to consent to any of Grantor's future requests. Grantor waives presentment, demand for payment, protest, and notice of dishonor.

Severability. If a court finds that any provision of this Deed of Trust is not valid or should not be enforced, that fact by itself will not mean that the rest of this Deed of Trust will not be valid or enforced. Therefore, a court will enforce the rest of the provisions of this Deed of Trust even if a provision of this Deed of Trust may be found to be invalid or unenforceable.

Successors and Assigns. Subject to any limitations stated in this Deed of Trust on transfer of Grantor's interest, this Deed of Trust shall be binding upon and inure to the benefit of the parties, their successors and assigns. If ownership of the Property becomes vested in a person other than Grantor, Lender, without notice to Grantor, may deal with Grantor's successors with reference to this Deed of Trust and the Indebtedness by way of forbearance or extension without releasing Grantor from the obligations of this Deed of Trust or liability under the indebtedness.

Time Is of the Essence. Time is of the essence in the performance of this Deed of Trust.

Waive Jury. All parties to this Deed of Trust hereby waive the right to any jury trial in any action, proceeding, or counterclaim brought by any party against any other party.

Waiver of Homestead Exemption. Grantor hereby releases and waives all rights and benefits of the homestead exemption laws of the State of Mississippi as to all Indebtedness secured by this Deed of Trust.
